

GUEST ARTIST/USER SALES AGREEMENT

EXHIBITION/EVENT TITLE:

This Agreement defines the art sales revenue percentage division between the BHAC and the artist/user identified below.

BHAC sales revenue from any sale of exhibited art or merchandise from a non-member guest artist/user is divided at 70% of sales revenue paid to the guest artist/user with 30% of the art sale revenue paid to BHAC. Art sale revenue for this calculation does not include sales tax which is added to the sale price at the time of purchase.

FOR ARTWORK PRICED AT \$1,000.00 or Above:

After BHAC has on file a guest-artist signed W9 form, payments to guest-artists/users shall occur within 30 days of the full sale price payment to BHAC. Payments to guest-artists/users are not made without a guest-artist/user signed W9 form on file with BHAC. Occasionally and at the discretion of BHAC, a 10% discount is offered to collectors to close the sale unless the guest artist/user states no discounts. BHAC assumes the right to photography of any aspect of this agreement's BHAC use. BHAC assumes the right to reproduce photographs of the Artist/User's artwork by BHAC, while never for sale, for historic documentation, educational and publicity purposes and for use in any print, broadcast or electronic format.
